

## Technology Resources

### **Florida Alliance for Assistive Services and Technology (FAAST)**

**[www.faast.org](http://www.faast.org)**

(850) 487-3278

1-888-788-9216

TDD: (877) 506-2723

[faast@faast.org](mailto:faast@faast.org)

Some of the services FAAST provides include an Assistive Technology Device Loan Program, a financial loan program for qualified borrowers to buy assistive technology (AT) items, trainings on the use of AT, AT assessments, a newsletter, six Regional Demonstration Centers and more. Visit the FAAST website to see all services and supports.

### **Assistive Technology Solutions**

**[www.atsolutions.org](http://www.atsolutions.org)**

This website provides plans for do-it-yourself devices to assist people with disabilities.

**Watch this website for more technology resources!**
